Highlights

"College Admissions officers want well-rounded applicants who take their studies seriously, are engaged in a cause or two they are passionate about, and are involved in extracurricular activities like the school newspaper." *

*DOSOMETHING.ORG

SURVEY SAYS...

- College Admissions officers place a high **value on a student's long-term** commitment to a cause or organization. *
- "**Good Citizenship,**" a skill developed in service activities; is instrumental in the college admissions process. *
- COMMUNITY SERVICE ranks number four in important factors considered for college admission. *
